E50 SCRUBBER DRYER

AVAILABLE VERSIONS

- 24v battery powered
- 230v electric powered
- Brush assisted traction drive
- Fully automatic (TRAC) version

The Eureka E50 Scrubber Dryer from PTS Clean Superior Quality, Ease of Use & Unmatched Cleaning Performance With The Affordable Eureka E50 Walk Behind Scrubber Dryers

- ✓ Take advantage of Eureka well-known quality & performance while keeping an eye on your budget.
- ✓ Scrub & dry small to medium sized areas easier & better than ever.

Ideal for the thorough cleaning of small to medium sized floor areas.

The E50 floor scrubber has a cleaning width of 50cm which combined with a 4.3km/hr speed boasts an area coverage of 2,150 square metres per hour.

High capacity tanks (40 litre solution / 50 litre recovery) maximise productivity and scrub time and the on-board charger makes battery re-charging fast, safe and simple. The Eureka E50 scrubber dryers are specifically designed to be easy to use and to enable businesses with limited budgets to acquire the efficiency and reliability of a Eureka cleaning machine at a price that can be justified & afforded.

Start & Go Experience

Simple, hassle free, electronic-free controls

High Performance Experience

Achieve a higher level of cleaning with up to 44kg of down pressure and up to 180rpm disc rotation

E50 delivers spotless floors fast, safely & efficiently.

Direct drive to the brush (no belts) means reduced maintenance and increased performance.

Even around 180° turns the E50 equal pressure, fast airspeed parabolic squeegee recovers all cleaning solution from the floor.

The squeegee is made of steel, fully protected against accidental hits and can be adjusted without tools to reach the optimum water pick up angle.

Roto-molded, easy access, easy clean tanks help reduce bacteria & other contaminants that can grow in enclosed tanks.
