Wash

WHAT IS THE MULTIWASH?

The Multiwash range of scrubber dryer is a multi-purpose and effective floor cleaning machine that washes, mops, scrubs & dries on both hard and soft floor coverings in one single pass.

Featuring a rotating drum that removes the water and dirt from the brushes, you gain a spotless floor that's ready to walk on in minutes.

WHAT IS THIS MULTIWASH BEST SUITED FOR?

5 different models to ensure there is a Multiwash to directly suit your needs.

Cleaning virtually every floor, the smallest model (MW240) is perfect for supermarkets and food service areas where there are confined spaces such as behind deli counters and the larger models are ideal for care homes, leisure facilities, retail and education. With easy change colour coded brushes the Multiwash is ideal for hospitals, where hygiene is of the utmost importance, preventing cross contamination whilst providing a cost-effective floorcare solution with outstanding cleaning results.

BENEFITS

- ✓ Simple and easy to use
- ✓ High-speed productivity
- ✓ Quiet operation
- ✓ Leaves floors ready to walk on in minutes
- ✓ Accessible, removable tanks for fast filling and emptying
- ✓ Choice of brushes for normal, maintenance cleaning or intensive scrubbing
- ✓ Available in different cleaning widths – 24cm, 34cm and 44cm
- ✓ Optional trolley for ultimate manoeuvrability

Highly effective on "difficult" floors including:

- ✓ Non-slip safety floors
- ✓ Low pile carpets
- ✓ Escalators and travellators
- ✓ Entrance matting
