just a wee bit
about us

PTS Clean Ltd are an independent family run business based in Glasgow. Now in our third decade and second generation we have been supplying industrial cleaning machine solutions for over 20 years.

As exclusive distributors of the esteemed Eureka brand of cleaning machines PTS Clean operates a UK wide distributor network supplying all sectors of industry, government and retail throughout the UK with robust cleaning equipment.

Specialising in the sale and hire of high-end cleaning equipment designed and built to withstand even the toughest of working environments our aim is to provide quality machines that will give our customers many years of trouble-free cleaning performance with a level of technical expertise and customer service to match.

We hold our full range of machines and service parts in stock at our custom-built warehouse in Rutherglen where our clients can also enjoy the benefit of trade counter, boardroom, demonstration and training facilities.

Feel free to contact us if you would like to come in and see us or we can come to you!

Customer Reviews

"We chose PTS Clean due to the fantastic build quality and competitive price of the machines. They are a huge benefit to our company as they are highly manoeuvrable allowing cleaning in very tight spaces and also covering larger areas quickly and efficiently. Being food manufacturers hygiene is paramount and these machines ensure we keep to the highest standards of cleanliness for food safety and our BRC certification"

Thomas H Gardiner, Managing Director, Gardiners Of Scotland Ltd

"Here on the SPT contract in Glasgow, we purchased two Eureka Picobello sweepers from PTS recently. Great results have been achieved on the contract with the help of this equipment, I would rate all of it 5 stars. PTS sales, delivery, service and training has been fantastic, highly recommend them, wish we had discovered them sooner."

Churchill Contract Services

"The service and advice available from PTS Clean has never failed to impress me. Punctual, attention to detail and very friendly. Couldn't ask for more from a supplier and will continue to use for years to come!"

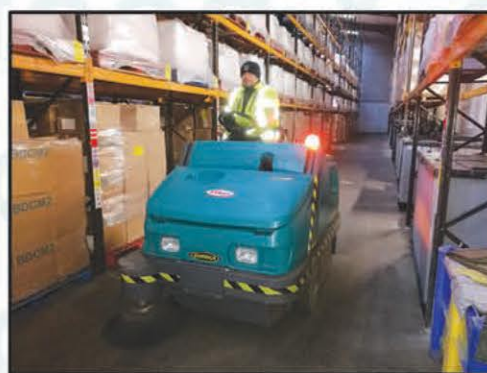

S Lang, Mersen UK

I am pleased to state that PTS Clean are a pleasure to deal with and have provided in a consistent and responsive good value for money service during the past decade.

G King, Engineering Technical Assistant, Sandvik Group

We at CM Steel Buildings have always found PTS to be a very easy and reliable company to deal with. The staff are helpful and knowledgeable about the machines in stock and offer good advice. The machines are in good condition, arrive on site on time and collection is always prompt. Pleasure dealing with PTS, we will continue to do so on future projects Operators found the machines to be easy to operate – 5 out of 5 for machine reliability.
